Description

Sideshow Collectibles and Hot Toys are excited to officially present the latest addition to the Hot Angel Series (which features sexy female characters in highly detailed outfits) - the sixth scale Alien Girl Collectible Figure!

The AVP - inspired Alien Girl is an original character designed by Hong Kong multimedia artist Mr. Elphonso Lam. Her appearance is a unique combination of the stylistic Xenomorph and a sensuous human girl!

The Alien Girl collectible figure stands approximately 29 cm tall. She features a head sculpt with translucent carapace and two styles of interchangeable faces, finely sculpted and realistically painted Alien skin texture throughout the newly developed body, a cannon blaster, and a sophisticatedly crafted Alien Queen diorama figure base!

Alien fans, don't miss the chance to add this uniquely designed collectible figure to your collection!

More about Elphonso Lam (???):

Elphonso Lam is a comic artist, musician, graphic designer and fashion designer. Born and raised in Hong Kong, Lam is a mainstay of local popular culture. His remarkable comics works The Jam, Super Seven and GOODGIRL show his identifiable diverse styles from sexy pretty ladies, rock bands and cute cartoons, etc. Back in 2010, Lam has participated in Hot Toys' Iron Man Artist Projects and created his own vision of Iron Man with themes of punk and rock & roll called "Devil Ironman" with Hot Toys' 1/6th scale collectible figure. Currently, he creates illustrations, comics and personal columns in magazines and music magazines.
